Notice to All Coordinators

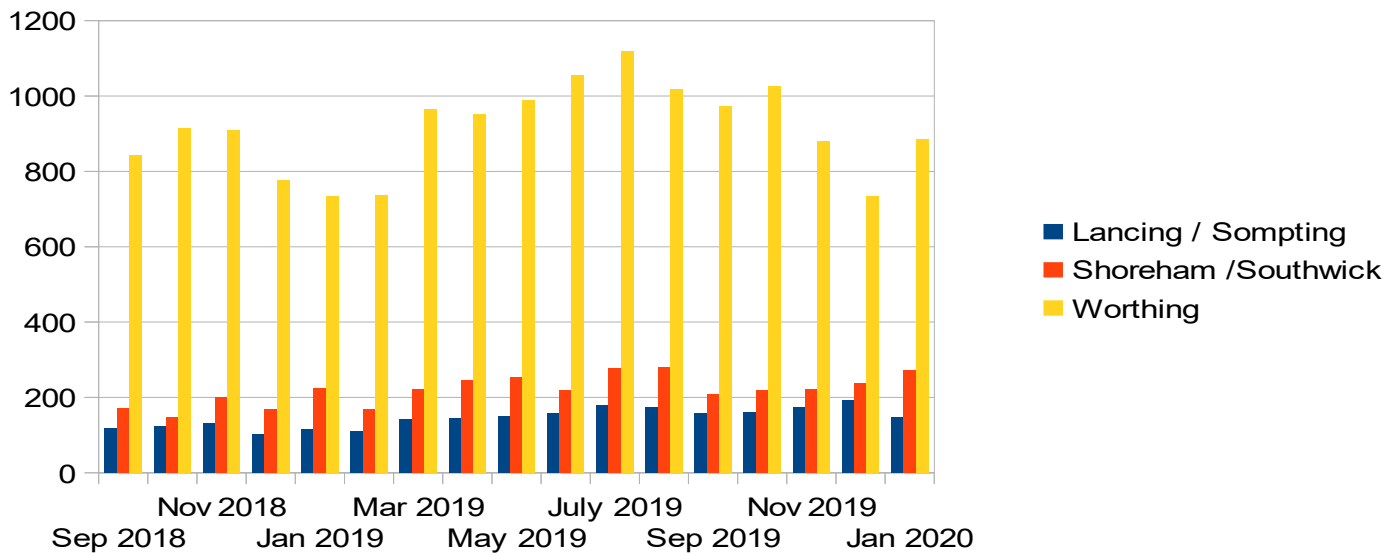

With many of our coordinators confined to their homes due the corona virus regulations, it is important that NHW remain in contact with their Scheme Members. There is no better way to do this than having them registered on the alert system. If you have not been able to do this please contact your administrator at www.adurnhw@gmail.com with members' basic details: Name; Address; Post Code; Telephone Number; Email Address.

Once this has been done you will be relieved of resending messages to your scheme members, freeing up time to concentrate on members who do not have an email address. If you become ill information will still be received by your members.
